IMPORTANT INFORMATION

Neville Buchanan

Ignorance is very dangerous! For instance, this week, with temperatures below zero, we had our parking lot cleared and salted. However, if we were in Alaska, we would not use salt. Do you know why all roads in Alaska are never salted? Because it would attract the salt-deprived moose. So, instead, they spread gravel & sand on the roads.

One of the most important instructions Jesus gives us is to not add or take away from the Word of God (John 5:19, 30; 12:47-50). This warning is again given in Revelation 22:18. I warn everyone who hears the words of the prophecy of this book: if anyone adds to them, God will add to him the plagues described in this book, (ESV).

However, the Bible does not cover every theological question we may come up with. It just covers what God wants us to do and not do. So, we may say, God does not expressly say we cannot use mechanical instruments in worship, so we will just go ahead and speak for Him. Friend, that is the very dangerous sin of willfulness or presumption. You see, God has given us everything we need for life and godliness (2 Timothy 3:16-17).

Many years ago, the two sons of the first High Priest decided they knew better than God. Here is their story: Leviticus 10:1-2 (ESV) — 1 Now Nadab and Abihu, the sons of Aaron, each took his censer and put fire in it and laid incense on it and offered unauthorized fire before the LORD, which he had not commanded them. 2 And fire came out from before the LORD and consumed them, and they died before the LORD.

You see, God had authorized specific instructions for the source of the fire: Leviticus 16:12-13 (ESV) — 12 And he shall take a censer full of coals of fire from the altar before the LORD, and two handfuls of sweet incense beaten small, and he shall bring it inside the veil 13 and put the incense on the fire before the LORD, that the cloud of the incense may cover the mercy seat that is over the testimony, so that he does not die.

(continued on next page)

So, is “presumption” a sin? If you are not yet convinced, read these scriptures:

- Psalm 19:13 (ESV) — 13 Keep back your servant also from presumptuous sins; let them not have dominion over me! Then I shall be blameless, and innocent of great transgression.
- 2 Peter 2:10 (ESV) — 10 and especially those who indulge in the lust of defiling passion and despise authority. Bold and willful, they do not tremble as they blaspheme the glorious ones,

A good rule of thumb is to stick with what God commanded. Every Sunday we, at the Summit Church of Christ, come together to worship as God commanded:

- We sing with the heart (Eph.5:18f; Col.3:16)
- We give cheerfully as we’ve prospered (1 Cor.16:1f; 2 Cor.8-9)
- We take the Lord Supper (Acts 20:7; 1 Cor.11:23ff)
- We preach and teach (1 Cor.4:17)
- We pray (Acts 12:5)

Like Noah (who didn’t use anything but gopher wood), we don’t do less or more than we are commanded.

Genesis 6:22 (ESV) — 22 Noah did this; he did all that God commanded him.

I DON'T UNDERSTAND by Steve Proctor

Have you ever been given a task or command and not really understood the purpose? It's natural for us to want to understand the purpose or reasoning behind the things we are told to do. Tell any child to do something and usually the reply is, "Why?"

I tend to dig into things to try and understand how and why something works the way it does. How does this function? How does this result come from these machinations? It leads me to understand a lot of things (far from all things) but it also occasionally leads to heartache. I'm not always privy to the why. I don't always get to know the inner workings.

Sometimes this is the case with our service to God and the things he affects in our lives. We want to understand the why of it. We don't understand how this is going to "work for good" in our lives when it hurts occasionally. We are blessed far beyond our fore bearers in this regard. The Holy Spirit has revealed to us in the New Testament a lot of the "why" and a good portion of the "how it works" when it comes to the things we are commanded to do. But some of it is still dim. Sometimes when we ask, "Why", the answer comes back with our favorite adult catch-phrase, "Because I said so."

Are we willing to accept God's commands at just his word? Can we set aside our desire to know the reasons and just accept that God knows best? Can we just give the answer Peter gave when he was sitting in the boat listening to Jesus tell him to let out his nets while absolutely positive there were no fish to be caught?

Luke 5:5 "... But at your word I will..."
