TEACHING ROCKET SEMINAR

Is there something lacking in your Bible class? Is it as engaging or convicting as it could be? Do you find yourself attending Bible class out of habit or compulsion, but not much else?

Are you a teacher who feels burned out, ill-trained, or unqualified? Is it tough putting together a lesson each week? Are you frustrated by a lack of discussion or engagement from your students?

On June 30, I'm excited to be at Summit Church of Christ for TEACHING ROCKET, a training seminar for those who want to be a better Bible teacher or student. Our first session will explore the goals of a good Bible class program. Why exactly do we come together for Bible study on Sunday morning/Wednesday night? What are we trying to accomplish? A healthy Bible class program needs clearly defined goals, and we'll talk about what those should be.

In the other sessions, we'll explore how to prepare and deliver a Bible lesson. I'll take you through several exercises that will equip you to generate your own lesson material from scratch week in and week out. Finally, we'll wrap up with a discussion on classroom dynamics. I've known a lot of people who were reluctant to teach because the prospect of teaching others intimidated them. How do I connect with my students? How do I ask engaging, thought-provoking questions that spark discussion? How do I handle class disrupters?

If you have no desire to become a class teacher, I want to encourage you to attend anyway. This seminar is for more than teachers; it's great for anyone who wants to be a better Bible student. Much of what we discuss will help you mine the riches of Scripture for yourself. Whether you want to be a better Bible student or teacher, I hope to see you on June 30!

— Michael Whitworth

From Neville's Desk...

THE BATTLE

All of us face daily struggles. And we accept these as a normal part of life. But, every now and then, something happens that is so far out of left field that, as in baseball, it catches us completely off guard.

Today, are you or a loved one facing seemingly insurmountable forces? If you are to be victorious you must, follow this 2-step process. First, stop relying on earthly resources.

Psalm 33:16-17 (ESV) — 16 The king is not saved by his great army; a warrior is not delivered by his great strength. **17** The war horse is a false hope for salvation, and by its great might it cannot rescue.

Here David lists three resources that would fail. So, list all the tools you think will help you. Then cross them all out.

PHYLACTERIES by Steve Proctor

Matt 23:5 *But all their works they do for to be seen of men: They make wide their phylacteries, and enlarge the borders of their garments.*

Phylactery *n.* small leather box containing Hebrew text, worn by Jewish men during prayer

Phylacteries were small leather boxes that men would put bits of scripture in and wear on leather headbands that would wrap around their heads so that the box hung between their eyes. Another box was attached to the back of their right hands. This was done in order to be in overly strict compliance with what GOD told them in **Duet 6:8**.

Duet 6:8 *And thou shalt bind them for a sign upon thine hand, and they shall be as frontlets between their eyes.*

I am convinced that we need to wear Phylacteries today (metaphorically of course)...

We should wear the word of GOD on our hands. This way the word will effect everything we touch. If we carry the word and attach it to our hands, we will be able to avoid those works of the flesh Paul was talking about. The word will cause us not to want to have anything to do with those

Now, you are ready for the second part of the process.

Psalm 33:18-20 (ESV) — 18 Behold, the eye of the LORD is on those who fear him, on those who hope in his steadfast love, **19** that he may deliver their soul from death and keep them alive in famine. **20** Our soul waits for the LORD; he is our help and our shield.

Dear Father God, upon you alone our soul waits – you are everything we need. This prayer we direct to You through the One who has lived with us (Lk.1:28), within us (Lk.1:35), and over us (Lk.1:38) – your Son and Our Savior, Jesus Christ. Amen.

works. Carrying the word with us will be contagious. If we attach the word, it will effect everything we do. Everything we do will speak to the glory of GOD.

We should wear the word of GOD before our eyes as frontlets. This way the word will effect everything we see. James compared the word to a glass that shows us what we truly look like. In this same manner we can use this glass to see what the world truly looks like. (James 2:23-25) Do we see the depravity of the world? The word will help us. Do we see the immorality of the world? The word will help us. Do we see the world as an OK place and nothing to be concerned about? The word will help us. Do we not see the people in the world for the lost souls that they are? The word will help us. Do we not see through the false teachings and teachers? The word will help us.

Are we wearing the word on our hands and before our eyes?
Are we letting the word affect our works?
Are we letting the word bring everything into proper focus?

It is vital that we carry the word in our hearts so that it does all these things. And just how do we carry the word with us? Study...

II Timothy 2:15 *Study to show thyself approved unto GOD, a workman that needeth not to be ashamed, rightly dividing the word of truth.*
