THE POWER OF GOD

1 Samuel 4, 5, and 6 tell us of the mighty power of God...

Israel went out to war with the Philistines. Israel lost 4,000 men. When the soldiers got back into camp they asked the elders of Israel, "Why did the Lord bring defeat on us today against the Philistines?" They said, "Let's bring the Ark of the Covenant to our camp." So Eli's two sons Hophni and Phinehas came with the Ark. Israel had not followed God's word and Eli's two sons did evil things and they had no regard for the Lord.

When the Ark of the Lord came into camp, all Israel raised a great shout, so much the ground shook. Hearing the uproar the Philistines knew God had come into the Israelite camp. They said "we are doomed!" This is the same God, who struck the Egyptians with all kinds of plagues.

But, the slaughter was great, Israel lost 30,000 foot soldiers and they captured the Ark of the Covenant and Eli's two sons were killed. The Philistines put the Ark of God into the temple of their god Dagon. The next morning Dagon had fallen on his face on the ground before the Ark (Imagine That), so they stood him back up and left. The next morning his hands and his feet had been broken off and Dagon was fallen on his face again to the Ark of God. The Lord's hand was heavy on the Philistines and brought devastation and tumors on the people until they returned the Ark of the Covenant to the Israelites.

Brothers and Sisters, we see here an example of the **Power of Our God**. We find many lessons in these 3 Chapters. Israel thought they didn't need God so they went into battle without him and got slaughtered. **We cannot go into this world and fight our everyday battles of temptation, evil, and trials without God and His guidance through the Bible. When we have God on our side we have to obey him and reach out for Him all the time.** Our last lesson is our **God is the only God**. I think it is funny that Dagon, their man-made god, was bowing down to the Ark of God. We see how powerful our God is. Read Psalm 104 and you will see another example of the Power of God. He is great, clothed with honor and majesty. Our God will never leave us or forsake us.

Know therefore that the Lord thy God, he is God, the faithful God, which keepeth covenant and mercy with them that love him and keep his commandments to a thousand generations, Deuteronomy 7:9.

Bill, for the Elders.

From Neville's Desk...

Tap. Pay. Go.

This week I received mail from a credit card company that touts their product is as easy to use as “tap, pay, & go”.

Similarly, when it comes to Discipleship, all that is required is TAP, PAY, & GO.

- Many years ago, someone TAPPED me on the shoulder and asked me if I would lead a closing prayer. And the more I said yes, the more responsibility came my way.
- But eventually, I had to PAY. This happened when I was asked to teach someone the Gospel. I was not prepared for that. I had to study a few scriptures.
- After a week of studying 16 scriptures, I was ready to GO.

It takes a lot of TAPPING, PAYING, and GOING for us to be a healthy church. Healthy churches:

- TAP: Give out assignments (Acts 13:2).
- PAY: Equip their Saints (Eph.4:11-16).
- GO: Send missionaries (Acts 1:8; 8:1).

Many years ago, it was Isaiah's shoulder that was being TAPPED. **Isaiah 6:8 (ESV) — 8** *And I heard the voice of the Lord saying, “Whom shall I send, and who will go for us?” Then I said, “Here I am! Send me.”*

Friend, the next time your “shoulder is tapped”, if it is at all possible, will you answer: Here I am! Send me?

“GOOD HABITS DIE HARD”

by Steve Proctor

According to a study from Duke University, roughly 40% of a person's actions don't happen because we make a conscious decision. This 40% of our actions are determined by habit. Wendy Wood, in her session at the American Psychological Association's 122nd annual convention, discussed habits. She explains, "Habits allow us to focus on other things...Willpower is a limited resource, and when it runs out you fall back on habits."

When our willpower is low, habits kick in. This can be very comforting if our habits are positive and constructive. Remember that Daniel had a habit of praying three times every day. But if our habits are destructive or negative it can be terrifying and usually damaging to our lives and relationships. Don't be fooled though, we create our habits. Negative or positive they are the product of our choices.

What kind of habits have we chosen to create? Do we need to change our habits? Are we willing to change them? Start taking action. Make a conscious decision to act differently and it will eventually become a habit. With the right effort and direction it'll be a good habit, and good habits die hard too.

ARK ENCOUNTER OVERNIGHT TRIP!

The Summit Youth Group will be spending the night on the Ark in Williamstown, KY on **Friday, May 31st**.

We will have the entire Ark to ourselves as we take a guided walk-through tour, do a scavenger hunt, watch a movie, and visit the live animals in the Zoo.

Sleeping arrangements are on the floor. Participants will need to bring their own bedding (i.e. Sleeping bags, blankets, pillows). Girls will sleep on deck 2 and boys will sleep on deck 3. Bedding and shower facilities are not provided. Air mattresses are for chaperones only, and cots or hammocks are not allowed.

The cost to you is \$30 per person, which includes the whole overnight experience and breakfast. If you are interested in going to this unique experience, please contact Chris or Jenny Guin.
