THE WHOLE COUNSEL OF GOD: PART 2

by Neville Buchanan

We live in a day where the Bible is once again being called "hate speech". And, if you declare loud enough, the whole counsel of God, it could get you thrown into prison. This is exactly what happened to the family and forerunner of Jesus – John the Baptist.

Luke 3:18–20 (ESV) — ¹⁸ So with many other exhortations he preached good news to the people. ¹⁹ But Herod the tetrarch, who had been reproved by him for Herodias, his brother's wife, and for all the evil things that Herod had done, ²⁰ added this to them all, that he locked up John in prison.

John's message was simple: Hey, King, you cannot be married to Herodias. Your brother is still alive; therefore, she is still his wife (cf. Romans 7:1-3).

Today, people want to believe that you can swap out your partner for a newer model. So, at the first hint of "irreconcilable differences", instead of seeking counsel some couples will renege on the vows they made before God and man.

- Is your spouse sick, why not get a healthier one?
- Is your spouse poor, why not get a wealthier one?

Yet, Jesus says there is only one reason for divorce: Matthew 5:32 (ESV) — ³² But I say to you that everyone who divorces his wife, except on the ground of sexual immorality, makes her commit adultery, and whoever marries a divorced woman commits adultery.

Friends, where would you and I be if God forsook us every time we were unfaithful to Him? Hold to God's unchanging word and hold high His whole counsel.

Attention Summit Parents:

Summit Servants' summer program is back, but this time, we have a weeklong adventure planned for our young servants. Mark your calendars now for **Monday, July 29th through Friday, August 2nd**. Our program starts each day 9 AM and concludes at 4:30 PM. Early and late drop off can be arranged for parents who need extra morning and/or evening time for drop off/pick up.

We will start each day with prayer, a devotional and a life skill lesson prepared by several members of our congregation. Prepare to become an amazing servant by learning basic sewing, CPR and first aid, finance/budgeting, and how to assist people with disabilities. We will even learn how to help someone in need by changing their tire! In the afternoon, we will leave the building and serve the community by visiting the elderly, delivering surprises to our first responders and purchasing and delivering food to those in need. We also will have some games and crafts prepared by the Summit Teens.

This Summit Servant program is open to the children of the

Summit Congregation ages seven and up. At the same time, **we will also provide a half day program for the younger Summit children ages three to six. The younger children's program will run from 9 AM to noon each day.**

Snacks will be provided for all kids, but we ask each child to bring a brown bag lunch each day. Registration is now open! You may find the registration link on the Summit Facebook page, the Summit website and via the Summit email distribution.

"BREAKFAST WITH DAD" BY ANDREW ELLIS

In high school, an informal tradition formed in my family. Every Saturday morning, I would go and eat breakfast with my Dad. I am not sure why this became a thing, but it is something that has stuck. Even though I moved away once I started college I try to make it a priority to have at least breakfast one time with my Dad while I am visiting home. While this is not the most creative thing out there, it is a small thing that has made a difference in building a strong bond between my Dad and I. As Christians, we have a chance to build stronger relationships with others in our life. We can connect better to our fellow Christians. We have a chance to build others up and encourage them. Ephesians 4:29 says, ***"Let no corrupting talk come out of your mouths, but only such as is good for building up, as fits the occasion, that it may give grace to those who hear."***

We might not know the struggles the people in our lives might be going through. It is important for us not to forget about those around us. **What can we do to make a positive difference in someone's life?** Can we send a card to someone on their birthday or when they are sick? Can we give someone a call who we have not heard from in a while? Can we send someone a text message to see what is going on just because we care? In my life, the thing that has aided in building me up has been breakfast with my Dad. Maybe the actions we decide to take to connect with others will form bonds that will last a lifetime.
