## LIVING THE WORD

*But be doers of the word, and not hearers  
only, deceiving yourselves. - James 1:22*

This weekend the Summit family turns our attention to the teaching and learning of the Word of God in the Teaching Rocket program. This is a great thing for us to focus on because the Word of God is the foundation of our hope and everything we believe. Knowing how to better learn it and teach it is vital to our spiritual health.

As we consider how to better learn the Word, let's remember to allow it to change us. The Word is the chisel in the hands of the master sculptor that shapes our minds, hearts, and actions into the image of Christ. A chisel is of no use at all until it is applied to the block of stone. God can take the hardest, most misshapen blocks of stone and create beautiful lives, only if we permit his Word to act on us.

Don't deceive yourself by learning the content of the Word while missing the power of the Word. The Word is living and powerful, much more than an instruction manual for a happy life. In the loving hands of God, it will chip away the worldliness inside of you, revealing the beauty of Christ living in you.

*Tom, for the elders*

## “A RIGHT RELATIONSHIP WITH GOD”

by Brad Herald

On the Bible App this week, Genesis 15:6 was the Verse of the Day on Monday.

Genesis 15:6 (NIV) “Abram believed the Lord, and He credited to him as righteousness.”

Although Abram had been demonstrating his faith through his actions, it was his belief in the Lord that made Abram right with God.

We too can have a right relationship with God by trusting Him. Our church attendance and outward actions of prayer and good deeds will not by themselves make us right with God.

A right relationship with the Lord is based on faith. Faith is believing and trusting in Jesus Christ by having an inner confidence that He is who He says He is and does what He says He will do.

Jesus offers us salvation as a gift because He loves us, not because we have earned it or even deserved it. He is strong enough to save us no matter how weak our faith is.

## Attention Summit Parents:

**Summit Servants' summer program** is back, but this time, we have a weeklong adventure planned for our young servants. Mark your calendars now for **Monday, July 29th through Friday, August 2nd**. Our program starts each day 9 AM and concludes at 4:30 PM. Early and late drop off can be arranged for parents who need extra morning and/or evening time for drop off/pick up.

We will start each day with prayer, a devotional and a life skill lesson prepared by several members of our congregation. Prepare to become an amazing servant by learning basic sewing, CPR and first aid, finance/budgeting, and how to assist people with disabilities. We will even learn how to help someone in need by changing their tire! In the afternoon, we will leave the building and serve the community by visiting the elderly, delivering surprises to our first responders and purchasing and delivering food to those in need. We also will have some games and crafts prepared by the Summit Teens.

This Summit Servant program is open to the children of the Summit Congregation ages seven and up. At the same time, **we will also provide a half day program for the younger Summit children ages three to six. The younger children's program will run from 9 AM to noon each day.**

Snacks will be provided for all kids, but we ask each child to bring a brown bag lunch each day. Registration is now open! You may find the registration link on the Summit Facebook page, the Summit website and via the Summit email distribution.

## LADIES FAITH DEVOTIONAL

### **“United”** by Nancy Carnes

On the fourth of July, our country will again celebrate its independence from England and its right to govern itself. One of these rights was the freedom of worship. The country stood united in its effort to protect this right along with many others.

Although we still celebrate, it seems that some people just look on it as a holiday from work. For years the world has been chipping away at our freedom to worship. They have taken away Bible reading and prayer in schools. They try to suppress the importance of worshipping God. As Christians, if we don't stand united in our faith, we could easily fall into the world's rejection of one of the rights that this country was founded on.

Deuteronomy 31:6 tells us to **“be strong and courageous. Do not fear or be in dread of them for it is the Lord your God who goes with you. He will not leave you or forsake you”**.

Even though the world tries to take away our right to worship, God helps us to stand united in worshipping Him. As it states on all our currency, “In God We Trust”.
