## TALENTS AND SERVICE

***1 Peter 4:10 As each one has received a special gift, employ it in serving one another as good stewards of the manifold grace of God.***

Jesus made it clear in the parable of the talents that the Master has blessed us all with talents and we need to be using them. The servant who hid his talent was called "wicked and lazy" by the master and was cast into "outer darkness." The servants who used their talents were called "good and faithful" and were told to enter the "joy of the master." Jesus followed up that parable with a description of judgment day. For those who saw people in need and served them, they shall inherit eternal life. But those who did not serve the least of those in need, they shall go away into eternal punishment.

The Apostle Paul wrote in Ephesians 4 that Christ gave gifts to all those in the church. These gifts are to be used to equip God's people and build up the church. In verse 16, Paul said that when each part does its own special work, it helps the other parts grow, so that the whole body (the church) is healthy and full of love.

It was great to see so many young people discovering new talents, learning how to use them and serving the community. It was a week filled with lessons for life in learning, working and serving. We can all be encouraged by this group of young people who spent a week of their summer learning and serving. Even more, we should all be inspired by them to use our talents in serving our community even more.

Thank you to all who taught, shared, served and helped in any way to make the Summit Servants Week of Service a success.

*Daryl, for the elders*

### VACILLATING TO VICTORIOUS

Do you have days when you start your spiritual race strong but then trip along the way? Many of God's greatest have stumbled along the way.

- Moses when he murdered a man.
- David when he committed adultery and had the husband murdered.
- Peter when he denied Jesus THREE times.
- Judas when he betrayed Jesus.
- And the chosen disciples when they fled.

Tripping along the way should not be the final chapter of your spiritual story. For Judas Iscariot – it was. So, how do you stop Vacillating so that you can be Victorious?

1. Pray for strength and guidance (lead us not into temptation but deliver us from evil).
2. Pay attention to your attitude by getting enough SLEEP & EXERCISE – and by EATING correctly and MEDITATING on God's word.
3. Take preventative action. Know yourself – learn to recognize your weaknesses:
  - a. What places should you avoid?
  - b. What happens to you emotionally when you are “triggered”?
4. When tempted, do you use the Sword of the Spirit by quoting it to yourself?
5. Do you have an accountability partner of the same gender (James 5:16)?
6. Are you continually repenting and confessing?

Friend, Peter, and the Apostles finished strong – and so must we!

### WHAT IS THE PLAN?

by Andrew Ellis

I am sure each of us has goals that we want to accomplish. Once we have established what we want to become or where we want to go, we should determine how to make it a reality. What is our plan? What are we doing that will make our goals a reality? No matter the goal a plan needs to be established. How can we accomplish a goal without a plan? If we do not have a plan, we do not have direction.

The same can be applied to our lives as Christians. Each of us should have a plan for how to grow as Christians. What are we doing to make that a reality? While some have an established plan, others struggle in developing a plan. Why is this the case? It could be a lack of direction. It could be a misunderstanding of strengths that could be utilized to serve the Lord. One of the things each of us need to understand is that each of us has plans established for us. Jeremiah 29:11 says, “For I know the plans I have for you, declares the Lord, plans for welfare and not for evil, to give you a future and a hope.”

We should have peace of mind knowing that God is in control of our life. While we should have this assurance, what are we doing to ensure the goals for our lives as Christians become reality? What is our plan?
