GO THE EXTRA MILE

38 "You have heard that it was said, 'An eye for an eye and a tooth for a tooth.' 39 But I say to you, Do not resist the one who is evil. But if anyone slaps you on the right cheek, turn to him the other also. 40 And if anyone would sue you and take your tunic, let him have your cloak as well. 41 And if anyone forces you to go one mile, go with him two miles. 42 Give to the one who begs from you, and do not refuse the one who would borrow from you. - Matthew 5:38-42

These verses spoken by Christ in Matthew 5 are hard to live by. It is believed that the context of verse 41 is from a Roman law that required a Jewish citizen to carry a Roman soldier's gear for a mile, if asked. Can you imagine already being subjected to an unjust law and *now* your Lord God has told you that you should do more than what the law mandates? It is from this verse that the term "going the extra mile" was coined. It isn't difficult to understand, it is just difficult to live.

We know the good Samaritan went the extra mile in Luke 10:30-37. He did more than what was expected, or required, in the culture of the time to help the man who was beaten and left on the side of the road. As children of God and followers of Christ we should always strive to give more than we are expected or required to by today's societal standards. This applies to all aspects of our life. We are to be generous with our time, our talents, our possessions and our money in ways modern society cannot really understand. God calls us to be merciful, compassionate, gracious and forgiving in a dark world. In this way, we can show the light of Christ and plant seeds for the Kingdom. While this is not an easy task, the blessings we receive from going the "extra mile" are probably as great or greater than those received by the recipient of our effort.

For example, extending forgiveness to someone who has not asked for it, and by all worldly standards does not deserve it, blesses us because it frees us from the burden of holding onto that unforgiveness. "For if you forgive others their trespasses, your heavenly Father will also forgive you." - Matthew 6:14

ACCESSING HIS MESSAGE

How do we still hear God's message with all the "white noise" drowning it out? I have helped many people over the years become daily Bible readers by utilizing a very simple technique. Do it first thing when you wake up in the morning!

Begin by having the Bible ready to play. How? Download the YouVersion app. Sign in with your email and password. Go to Discover Plans and select a Whole Bible plan – like the ESV Study Bible.

But what happens if you don't have a smart phone? One of our members, Lloyd Eastham,

found a great work around. He bought a Wonder Bible. It is an Old and New Testament audio KJV player.

Why should you listen to your Bible first thing in the morning? The number one reason people don't read/listen to the bible anymore is time. However, first thing in the morning, while getting dressed, etc., is complete wasted time – unless you use it to read your bible through every year.

I recently asked my son, Ben Buchanan, how he checks his mail every day, in Alaska. He must use a lighter to heat up the lock for 1 ½ minutes.

Friend, we have it so easy when it comes to accessing God's Word. There is no excuse.

BE THANKFUL

by Steve Proctor

Dr Sonja Lyubomiirsky (The How of Happiness) says our propensity for happiness is 50% genetic (no control), 10% circumstances (a little control), and 40% intentional action (all control). The number one intentional activity – Being Thankful!

Thankful people are statistically more less likely to be depressed, anxious, lonely, neurotic, and/or sick.

One study had a group of participants name five things they were grateful for. Another group were to gripe about five things. The ungrateful group reported headaches, coughs, nausea, and even acne. The grateful group didn't have these problems.

Is it any wonder we function best when we act the way God wants us to?

Look closely and maybe we'll see another facet of the "abundant life" Jesus offers us in this life. The benefits of obedience; we're commanded and reminded constantly to remember our blessings and be grateful for them.

If you're having trouble, take time to be thankful. Jon Gordon suggests taking a "thank you" walk. While you're walking just start naming things. You may not feel thankful when you start. But "fake it 'til you make it". Just say "Thank You", it'll come to you. Don't forget the biggest thing we have to be thankful for; a God that loves us and provides for us both physically and spiritually.

Don't forget to be thankful more than one day out of the year. I Thessalonians 5:14 "Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you."
