## ENTERTAINING ANGELS

***Do not forget to entertain Strangers, By doing so, some people have entertained Angels, without knowing it! Heb. 13:2***

Have you ever entertained an Angel? I believe you have! I believe many of our number have gone out of their way to help someone in need! Recently I had a conversation with one of our members, and they shared some things that was on their heart, a very kind heart. They can usually be found sitting with mostly older people, because they will try to make that person feel special. On many occasions, this person shared with me, they have given money to the person in need, including taking people to the gas station to fill their gas tanks, because they didn't have the money to get them home.

***And if anyone gives even a cup of cold water to one of these little ones because he is my disciple, I tell you the truth, he will certainly not lose his reward. Matt. 10:42***

Many times, at Summit we will have a need and it is taken care of right away. With the Covid-19 we have needed food because the pantry was very low. In a couple of days, we had enough food to feed an army. I know people have needed rides to the doctor or to the grocery store and they have always been taken care of. How many times have we had our prayers answered? All the time!

Our kindness and respect and love for one another, for all of God's people, is even more important during the trying times we live in. Be that person who goes the extra mile and does a little more for that person God puts in your life.

Brothers and Sisters, my prayer is that Summit will always have the same love and care for each other that Jesus had for his followers. My prayer is that the Lord will continue to bless each and every one at Summit and keep the Covid-19 away from Summit. I pray that we will always be willing to sacrifice of our money and time to take care of the less fortunate and the needy. Let us always be ready to entertain an Angel!

***Whatever you did for one of the least of these my brother, You DID IT TO ME! Matt 25:40***

### I DO NOT FEEL WHOLE

Meaningless matters. It is during times of crises or severe mental anguish that people question the purpose of life. It was during these times that wealthy and wise King Solomon said life was meaningless (futile, useless, senseless) – like trying to catch or capture the wind, (Ecclesiastes 2:17).

Ultimately, without God, life will always be meaningless. Proverbs 19:21 (ESV) — 21 Many are the plans in the mind of a man, but it is the purpose of the LORD that will stand.

For our lives to feel complete or whole requires three parts to come together: sense, sights, and significance.

**Sense:** Does your life make sense? Three times Paul asked God to remove the one thing that did not make sense.

However, he found a sense of coherence, or completeness in God's grace. The thorn in his flesh was designed to bring him back in line by removing conceit, (2 Cor 12:6–10).

**Sights:** What do you have your sights set on? A life without purpose is pathetic. Like David, we were designed to fulfill God's purpose in our generation (Acts 13:36). This is because "you are a chosen race, a royal priesthood, a holy nation, a people for his own possession, that you may proclaim the excellencies of him who called you out of darkness into his marvelous light" (1 Peter 2:9, ESV).

**Significance:** Is your life meaningful?

Friend, when you allow God's discipline to realign you, and His purpose is once again your purpose, then you will be living a life of significance.

## YEAR TO YEAR KNOWLEDGE by Andrew Ellis

This past week I celebrated my birthday. Over the years, I have become an avid reader. Growing up, my Dad emphasized the importance of reading to my brother and I. As a kid, I viewed reading as a chore. As I got older, I looked at the reading not necessarily for fun or as a hobby, but as a necessity. I find myself reading more because I have a desire to learn. Each year I strive to learn more. While reading, I gain knowledge, gain confidence in my understanding as well as my ability to elaborate ideas and concepts to others. An area of focus for myself in recent years in my reading endeavors has been reading the Bible. I have always understood certain things from the Bible, but recently I am interested in learning more. For me, I want to have as much knowledge about my beliefs as possible.

As Christians, are we continuously looking to learn more from the Bible? **God's Word should be studied as much as possible.** It is the foundation we should look to for answers. Jesus focused on this in Matthew 7. He compared hearing His Word to a man who builds his house on the rock. In Matthew 7:24-27, **Jesus says, "Everyone then who hears these words of mine and does them will be like a wise man who built his house on the rock. And the rain fell, and the floods came, and the winds blew and beat on that house, but it did not fall, because it had been founded on the rock. And everyone who hears these words of mine and does not do them will be like a foolish man who built his house on the sand. And the rain fell, and the floods came, and the winds blew and beat against that house, and it fell, and great was the fall of it."**

**It takes time to learn God's Word. This action should be a priority.** It is something I am learning as the years go on, especially after each birthday.
