THE LIGHTHOUSE

George Reagan

The Lighthouse was completed in 1887 after three years of construction. A first order fixed Fresnel lens that was manufactured in Paris in 1867 was used to illuminate the light. The kerosene lamp was first lit on November 1, 1887. The new light could be seen 20 miles out to sea. In 1897, author Stephen Crane was shipwrecked off the shore of the lighthouse. In 1970, the Coast Guard abandoned the lighthouse and vandals did much damage to the structure. Two years later as the result of work by concerned citizens, the abandoned property was deeded to the Town of Ponce Inlet and in 1972 the preservation Association was founded. In April 2004, restoration work on the third order Fresnel lens was completed and this rotating lens was returned to the lantern room at the top of the tower. The Ponce de Leon Inlet Lighthouse is now listed as an operational private aid to navigation. The light was abandoned for two (2) years, and it took thirty-two (32) years to restore.

When we lose sight of Jesus, the longer we are blinded, the longer and harder it becomes for us to return. Without Jesus restoring our sight, it is impossible. A blind soul is as lost as a ship off the coast in a storm with no light to guide it or warn it. A long-lost blinded soul may lose sight so significant that they do not recognize the lighthouse guiding them to safety. Since the beginning of time, God has tried to help us.

He has provided many examples of what a good and righteous life is and has promised us Spiritual healing. The Psalmist wrote in Psalm 41:3, "The Lord nurses them when they are sick and restores them to health." Psalm 147:3 states "He heals the brokenhearted and bandages their wounds." Jesus read from Isaiah 61:1,2 as recorded in Luke 4:18:

*"The Spirit of the Lord is upon me,
for He has anointed me to bring Good News to the poor.
He has sent me to proclaim that captives will be released,
that the blind will see,
that the oppressed will be set free,
and that the time of the Lord's favor has come."*

When we see Jesus, we have the Light shining on us; His hand touches us, WE CAN SEE and see clearly. That is why we must be like those men that approached Phillip as recorded in John chapter 12 and said, "We would see Jesus". Mark tells us that wherever Jesus went, "...they brought the sick out to the marketplaces. They begged him to let the sick touch at least the fringe of his robe, and all who touched him were healed." Have you reached out?

SET FOR A SPIRITUAL RETREAT

Psalm 23:2-3 (ESV) — ² He makes me lie down in green pastures. He leads me beside still waters. ³ He restores my soul. He leads me in paths of righteousness for his name's sake.

How often do you find yourself in a beautiful, quiet place? The kind of place where your cell phones don't have signal and TVs don't exist. Yes, Summit is going off the grid.

This is a perfect time to, not only relax and unwind but also to meditate and plan. So, to prepare, take time to jot down ideas and thoughts to pursue and prioritize during our retreat's quiet times. For me, this is jotting down ideas for a 2022 Summit Theme and updating my list of people in need of prayer.

As soon as we arrive at the camp site, take a moment

to pray, with faith, that God will lead you and restore your soul. Then, while giving yourself grace, slowly let go of the grip of the world. Sigh heavily a few times, and let God unburden your soul through prayer (Romans 8:26).

Now that you have emptied yourself, observe everything. Take in the beautiful sights of nature, hear the gentle rustling of the leaves, smell the clean fresh air, notice the smiles as you greet the brethren.

Father God, thank you for a time to commune with you. Guide us Lord as we move in your creation, rest, commune, get direction from Your Word (Psalm 16). With gratitude we wait on the unexpected blessings. In Jesus Name, Amen.

FAMILY OF GOD

Robert Murphy

God, in his infinite wisdom, gave us the blessing of families. According to his design, families are supposed to love one another and help one another through life. Parents are to raise their children in the Lord (Eph 5:4), and children are to honor their parents throughout their whole lives (5:1-3). God promises that we will have a long life on the earth if we honor our parents (v. 3). Husbands are to love their wives, and in this way, he reflects Christ's mysterious relationship with his church (4:25).

Apart from our biological families, we have also been given a divine family. God has adopted us through Jesus (John 1:12). Through the Holy Spirit, we are able to cry out to God and call him "Abba, Father!" (Rom

8:15). Jesus himself is not ashamed to call us his siblings and even became like us by taking on flesh and blood (Heb 2:11, 17). Unlike our biological families, we do not have physical resemblances. In fact, we boast in the Lord that our divine family is so diverse so that we speak many languages and are from many countries. Summit itself has people from Venezuela, the Philippines, South Africa, Greece, India, and probably other countries I forgot to name. We normally would never associate with one another, but the Christ broke down the barriers that once separated us and now we are all a part of the same household (Eph 2:11-19). We can call one another brother, *నోదరుడు*, *ἀδελφός*, hermano, igsoon, kaka or the feminine equivalent. Praise be to God for this heavenly blessing!

LADS TO LEADERS

Lads to Leaders is a leadership training program for kids through adults and divides events into two categories: year-round and convention/pre-convention events.

Year-round events are carried out at the home congregation throughout the year. There are year-round events for both students and adults. In fact, 10 year-round events are for all ages. This encourages participation among youth, adults and senior adults and helps the congregation to bond. Year-round events are awarded during the Friday evening award ceremony at convention each year.

There are four types of year-round events: Bible, Service, Leadership and Curriculum.

Convention and pre-convention events take place in conjunction with the annual convention held on Easter weekend in

many locations across the United States and in other countries.

Convention events provide an avenue for students who have practiced and trained all year to show their developing skills and talents. Pre-convention events are completed at the home congregation shortly before convention and are awarded at convention.

Over the years, members from our congregation have participated in events from year long Bible reading, oral bible reading, song leading, speech, debate, Good Samaritan, to Art Says it and Bible Bowl. There are so many options available and we hope you and your family will join us this year in participating. There will be a short interest meeting immediately following services on Sunday, November 7th.

If you have any questions please see Cori Fuller.
