A LIGHT

George Reagan

I am amazed by the number of applications one can have on one's cell (smart) phone. The camera can be linked to applications that allow you to identify trees and plants, bar codes on packages and even identify an airplane passing overhead. The one application that I use frequently is the flashlight. The light is produced by a small light emitting diode (labeled as a LED). It also serves as the flash for the camera when needed. The light is very bright. I have a cover on the back case of the phone, which covers the camera lenses and the light. Several times unknowingly, I have touched the icon and turned on the light and wondered why my battery usage rate is so high after 4 to 5 hours. With the light covered, it is hard to notice its illumination. I have discovered this at the most inopportune times.

A covered or hidden light is a waste of energy and serves no useful purpose other than to baffle the user why there is so little battery left. When the light is not covered, where we are looking is illuminated. The dark area is no longer dark. A lighted room raises spirits and eases worries or troublesome thoughts. A light on the front porch is a welcome to the weary traveler.

Jesus said, "No one lights a lamp and puts it in a place where it will be hidden, or under a bowl. Instead they put it on its stand, so that those who come in may see the light. Your eye is the lamp of your body. When your eyes are healthy (generous), your whole body also is full of light. But when they are unhealthy (stingy), your body also is full of darkness. See to it, then, that the light within you is not darkness. Therefore, if your whole body is full of light, and no part of it dark, it will be just as full of light as when a lamp shines its light on you." (Luke 11: 33-36)

I must be a welcoming light rather than a hidden light that is wasting energy on my own self-importance. I need and must seek God. Daniel said that our God is a God of light that illuminates the dark places. (Daniel 2:22)

BE A LIGHT IN THIS DARK WORLD

From Neville's Desk...

THE SECRET LIFE

She walked into my counseling office, completely broken by sin. A very well-hidden secret had come to light. Could this be describing you?

Many years ago, the tribes of Reuben and Gad, and the half-tribe of Manasseh asked Moses for permission to live on the wrong side of the Jordan River. After assuring Moses that they were not trying to shirk their duties, Moses agreed with this warning: "But if you will not do so, behold, you have sinned against the Lord, AND BE SURE YOUR SIN WILL FIND YOU OUT" (Num.32:23).

The problem with sin is that it does not want to stay hidden. Last week, Douwene was out of town. How easy it would be for me to sneak into "Little Caesars" and order a Pizza. I mean, Douwene would never find out – right?

This happened to "a friend of mine". He went to Little Caesars and ordered the cheapest pizza on the menu – without his wife's knowledge. But then something very unfortunate happened. They told him that they could not sell him a pizza because of the time. So, they offered him two pizzas and his choice of chicken wings. However, because it was done in secret, he is now unable to tell anyone of his good fortune.

Friend don't be like "that friend of mine". Rather remember, "Nothing is covered up that will not be revealed or hidden that will not be known" (Lk.12:2).

UNITED

Nancy Carnes

On the fourth of July, our country will again celebrate its independence from England and its right to govern itself. One of these rights was the freedom of worship. The country stood united in its effort to protect this right along with many others.

Although we still celebrate, it seems that some people just look on it as a holiday from work. For years the world has been chipping away at our freedom to worship. They have taken away Bible reading and prayer in schools.

They try to suppress the importance of worshipping God. As Christians, if we don't stand united in our faith, we could easily fall into the world's rejection of one of the rights that this country was founded on.

Deuteronomy 31:6 tells us to "be strong and courageous. Do not fear or be in dread of them for it is the Lord your God who goes with you. He will not leave you or forsake you".

Even though the world tries to take away our right to worship, God helps us to stand united in worshipping Him. As it states on all our currency, "In God We Trust".

RETIREMENT PARTY

Please join us to celebrate Jeff Brown's retirement during our fellowship meal today directly following services. The Browns are providing lunch (pizza, sub sandwiches, salad and dessert). Everyone is welcome!

If you would like to help with VBS in any way, see the sign-up board in the foyer for volunteer opportunities. We will try to do most of the early prep and planning virtually to cut down on meetings since summer schedules are busy for everyone. Please consider helping to plant seeds of faith in children from our congregation and community. Let's work together to make this year's VBS a success!
