GOD'S INSPIRED WORD

Brad Herald

How much time do you spend in God's Word? The Bible is not a collection of stories, fables, myths, or merely human ideas about God. Through the Holy Spirit, God revealed His person and plan to certain believers, who wrote down His message for His people. This process is known as "inspiration". The writers wrote from their own personal, historical, and cultural contexts. Although they used their own minds, talents, language and style, they wrote what God wanted them to write. Scripture is completely trustworthy because God was in control of its writing. Its words are entirely authoritative for our faith and lives.

1 Thessalonians 2:13 "And we also thank God continually because, when you received the word of God, which you heard from us, you accepted it not as the word of men, but as it actually is, the word of God, which is at work in you who believe."

Paul said that the word of God continued to work in the believers' lives. Paul knew that God's words are not mere sermons or documents, it is not a human book, but a real source of transforming power.

2 Timothy 3:16 "All scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness."

The whole Bible is God's inspired Word. Because it is inspired and trustworthy, we should read it and apply it to our lives. The Bible is our standard for testing everything else that claims to be true. It is our safeguard against false teaching and our source of guidance for how we should live. It is our only source of knowledge about how we can be saved.

The Bible is "God breathed", it is full of real and living power. Its words are transforming lives all over the world every day. Read it. Encourage fellow believers to read it. All who do so, truly seeking to learn, will be touched by its power. They will never be the same. Read it regularly to discover God's truth, use its teachings to guide your life and to become confident in your life and faith.

JESUS IS THE ANSWER

The politically correct WOKE type movements of today have not provided the Answers Humans are needing. If anything, they have created a generation of unhappy, lonely, and angry young people.

Below you will find that Jesus is the answer to (M.A.P.S.) Marriage, Anxiety, Parenting & Solitude.

1. He gives us a MARRIAGE MOLD in Genesis 2:18ff. He creates woman from man to where they realize they are part of each other as helpers towards a common goal. In this atmosphere they flourish as they live out the five steps of what it means to be

married (leave, cleave, one flesh, naked, and unashamed).

2. He gives us an ANSWER TO ANXIETY BORN ADVERSITY in Mark 4:35-41. He does this by whispering three sweet words into our unsettled world ... PEACE, BE STILL.

3. He gives us a PARENTING PATTERN in Ephesians 6:1-4. Simply put, children obey your parents in the Lord and parents don't push your kids' buttons (provoke to anger).

4. He gives us a SOLITUDE SOLUTION in Hebrews 8. He joins directly to our lonely hearts (8:1-10) through intimate knowledge (8:11) and the removal of the cause of all loneliness (8:12).

THE IMPORTANCE OF CHURCH HISTORY

Robert Murphy

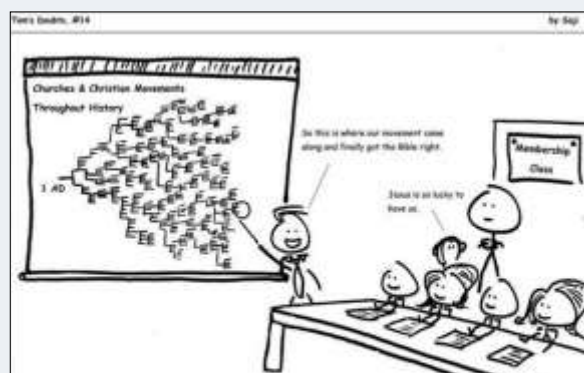

As a church that prioritizes scripture over tradition, and as a part of a society that seeks to overturn tradition, studying and appreciating the history of Church traditions seems pointless. Things are different now. We have advanced our knowledge and technology. We know more than people did in the past. Why should the average churchgoer learn about obsolete ideas and practices? Well, there are many reasons:

First, through church history, we can better understand the religious world we live in *today*. Why are there so many denominations? Why do Catholics believe what they believe? What is the relationship between "churches of Christ" and "Christian Churches?" All these questions and more can be answered through studying church history. Therefore, by studying church history, you can better understand others who worship in various denominations — a useful skill in personal evangelism.

Secondly, we can learn from the struggles, successes, and mistakes of past saints. Church history records numerous schisms and heresies along with various reactions and responses to these heresies. Sometimes these ancient heresies make a comeback in modernity. Learning about how past Christians responded to apostasy and "Unitarianism" can help us as

we figure out our responses to these problems. Additionally, different movements in the church can help us to recognize that certain movements within our own congregation are either healthy or unhealthy. Monasticism, while it had good intentions, also created (and still creates) many problems. Studying monasticism warns us against practicing hyper-asceticism and the pride it often creates in its adherents.

Third, we grow in humility. We recognize that we, as God's church, are imperfect as we strive to live holy lives. While we can recognize the mistakes that Christians have made in the past, we need to know that there are mistakes that others can criticize us for. This type of "ecclesiastical" arrogance is extremely common in churches of Christ because we believe that we have a perfect understanding of Scripture – But so do many other churches. We must have humility and not trust in our own ecclesiastic purity, but in the only Son of God.
