## **DON'T BE OUTDONE BY ROCKS**

Steve Proctor

**Job 37:14** *"Hear this, O Job; stop and consider the wondrous works of God."*

Elihu talks of God's creation and works. He advises Job (and us) to stop for a moment and consider it. I recommend we do this quite often. If we do, we will see what the psalmist saw when he looked at the heavens.

**Psalm 19:1-4** *"The heavens declare the glory of God, and the sky above proclaims his handiwork. Day to day pours out speech, and night to night reveals knowledge. There is no speech, nor are there words, whose voice is not heard. Their voice goes out through all the earth, and their words to the end of the world."*

You can look at creation and see God's design for the universe and how it sustains us. How the solar systems move and how we've learned to predict the systems he put in place. Nature shows us amazing systems of biology, chemistry, and physics. We can see the design of how trees change and adapt to the seasons along with the creatures whose designed instincts drive them to survive and thrive.

The very creation we inhabit screams the glory of its creator, the almighty Yahweh! How can we not? Holy, holy, holy, Lord God almighty. Praise him for his might, for his grace, for his mercy, for his love, for his... keep going. We'll never run out of things to praise him for; the rest of creation has been doing it since the beginning and it shows no signs of stopping.

Praise him in song. Praise him in word. Praise him in action. Praise him! Don't let the rocks outdo us in our praise of God.

**Luke 19:40** *"He answered, 'I tell you, if these were silent, the very stones would cry out.'"*

### THE BIG ASK

Asking God for wisdom is huge. Imagine God appearing to you in the night and saying: "Ask what I shall give you." This actually happened to King Solomon (2 Chron.1:7). Solomon's BIG ASK was: "Give me now wisdom and knowledge to go out and come in before this people, for who can govern this people of yours, which is so great?"

This wisdom would allow Solomon to know God's will and do it. Solomon would have insight to the practical application of God's truth to any given situation. He would automatically be able to perceive the true nature of a situation and implement God's will into that situation.

Friend, are you ready for the BIG ASK? James, the brother of Christ, tells us to ask God for this wisdom, "who gives generously to all without reproach" (Js.1:5). But he says, "let him ask in faith, with no doubting" (Js.1:6).

Your BIG ASK will result in nine great changes to your life: "<sup>17</sup> But the wisdom from above is first pure, then peaceable, gentle, open to reason, full of mercy and good fruits, impartial and sincere. <sup>18</sup> And a harvest of righteousness is sown in peace by those who make peace" (Js.3:17-18 ESV).

Join us (In-Person or via Zoom) every Sunday 6-7PM for a Small Group Study on Wisdom.

### WHAT GOD WANTS

Nancy Carnes

*It seems that at times I spend so much time thinking about what I want, not the things I need, but just things I want. It may be something to buy, something I want to accomplish or just something I want to do. Although these things aren't bad, I forget to think more about what God wants and less about what I want.*

*I know he wants me to follow all his commands, not just the ones I like. He wants me to love him above all others first. He also wants me to love others. He wants me to work*

*toward the goal which is heaven. He wants me to continue to grow in my faith, and to be a Christian not just with words, but with my actions. He wants me to do his will and follow his guidance rather than follow the path Satan would have me go to eternal torment. God has blessed me abundantly and I need to give back to him abundantly in all the ways I can.*

*Mark 12:30-31, and you shall love the Lord your God with all your heart, and with all your soul, and with all your mind and with all your strength you shall love your neighbor as yourself. There is no greater commandment than these.*
